

# Grace Beach Entry

UTILITY AND DESIGN PATENT PENDING

## Bring the Shore to Your Door

Enjoy all the luxury of a day at the beach without ever leaving your own backyard. Every day will feel like a vacation!

### Pool Sizes

14' x 36' 5" 7" 16' x 36' 5" 7" 16' x 40' 5" 10"

1. A **zero entry** that is perfect for dipping your toes in the water and lounging at the water's edge.
2. A **non-skid surface** on the floor, stairs and benches is easy on your feet and your swimsuit.
3. **Dual, deep-end seats with swim-outs** give you extra options for visiting and relaxing.
4. A **courtesy ledge around the deep-end** gives you a place to take a break and stand.

## Nine Layers Of Strength

### The Composite Sandwich of Awesomeness

Let's think of a fiberglass pool shell as a huge sandwich. A sandwich is a composite, which basically means it's made up of different materials. Each material is applied in layers with the goal of giving the entire sandwich maximum flavor.

Such is the case with a fiberglass pool, which is also a composite. It's manufactured in multiple layers with each layer serving to maximize the strength and durability of the entire structure. In other words, our fiberglass pool is thought of as a sandwich of strength. Hence, we affectionately refer to our unique manufacturing methodology as our **Composite Sandwich of Awesomeness**. Here's what we put in it:

- |   |  |  |
|---|--|--|
| 1. Gel coat.                                | 4. Second application of chopped fiberglass. | 7. Honeycomb core.                           |
| 2. 100% vinyl ester barrier coat.           | 5. Hand-laid woven roving fiberglass.        | 8. Fourth application of chopped fiberglass. |
| 3. First application of chopped fiberglass. | 6. Third application of chopped fiberglass.  | 9. Fifth application of chopped fiberglass.  |

\*Handrail, rope with floats, and safety equipment may have been removed for photography purposes. Thursday Pools requires its pools to be installed with a handrail and be in compliance with all federal, state and local building codes.
